How do I join?

It's very easy, choose a cover level and call the freephone number or go online. As a UNISON member, you and any family member can join up to your 70th birthday and you can remain on cover as long as you wish. You can use the plan thirteen weeks after your first payment and then claim 100% money back on your bills, as often as you'd like up to the generous annual maximums below. You can even transfer from a similar health plan and be covered immediately. Call today to find out more.
