

Durham Local Government UNISON Bulletin

19th June 2017

Schools Edition

Thank you to all UNISON Teaching Assistants who were able to attend the UNISON school cluster meetings held last week.

Meetings for all UNISON members have now been finalised with all schools in Durham to allow UNISON to come and talk to TAs about the Council's offer to you.

All schools and UNISON school contacts and stewards should be able to inform you when your school meeting is taking place. If you are not sure please feel free to ask your Headteacher, or contact the UNISON branch office if you do not know when your meeting is.

As previously communicated UNISON will be balloting all our members on the new offer from the Council and arrangements are being finalised.

It is vitally important we have the opportunity to discuss the proposal with you in more detail both collectively but also individually if you have specific questions. At these meetings we will be able to talk through any queries or concerns you may have.

Thank you.
