**Outcome of TA Consultative Ballot**

This is to inform you of the outcome of the UNISON ballot.

A decisive majority of UNISON members have today (Monday 16 October) voted to accept Durham County Council's final offer on the proposed changes to Teaching Assistant terms and conditions of employment.

The new offer has been achieved by Teaching Assistants and UNISON working constructively together.

We will be writing to you later this week to outline how we now move forward to ensure we hold the Council to account and deliver in full on all aspects of the deal.
