

# Durham Local Government UNISON Bulletin

11 December 2017

## Schools Edition:

Following yesterday's letter from the Council, we have been contacted by people seeking clarification over the salary figures quoted in your 'statement of particulars'.

The salary quoted is the salary for the grade you have been assimilated onto, adjusted for a 40 week contract.

This figure does NOT include the compensation payment which Unison negotiated with the Council to be paid until January 2020.

This means that the pay you receive in January will be your new salary PLUS the compensation which, for anyone accepting 37 hours, will keep your monthly salary the same as it is now.

The figures you were sent in June 2017 haven't changed. The salary quoted in yesterday's letter is for Jan 2018 (without the compensation).
